*These are the answers that relate to Lesson No.3: (Jesus Said, Matt4:12-25)*

1. With the capture of John the Baptist, Jesus knew he had to move to Galilee in fulfillment of the Prophet Isaiah's prophecy: **Matt 4:14-16**. *This is mentioned in a book of the Old Testament: (Isaiah 7:14).*
2. Living in darkness – Without the 'Jewish' Word of God, the Torah & the Talmud. Without knowing God, without His teachings.
3. The Kingdom of Heaven could be taken to mean several things: Jesus is here, they have yet to know it; or Heavenly Judgement approaches as the Son of God is now with His people – it's another stage started because Jesus is now with us. He has appeared as has been foretold for countless centuries. So the term here could be either the notice that Jesus is here on Earth, or it's another step towards meeting our Heavenly Father, God.
4. Maybe they just knew, maybe their instincts kicked in, but maybe they could see, deep inside just who this rabbi was. They were intrigued enough to drop everything – something not done lightly!
5. **Matt 4:23-24** says that He healed every disease and sickness among the people including those who were ill with various diseases, those suffering severe pain, the demon-possessed, those having seizures, and the paralyzed; and he healed them.
